

B B Dikshit Library

A Library with a difference in Health Care Services ...

For discussion

01 Access to Online Resources

Revitalizing the print and online collection of the Library

02 Knowledge Services

H-Index and Citation Report

03 Research Services

Academic Integrity and Reference Management

04 Research to Publication

Communicating Research to Practice

BB Dikshit Library Strategic Focus

Supporting
academic
innovation

Enriching
student
experience

Equipping
students for
academic
success

Stimulating
scholarly
excellence

Developing
superlative
library
personnel

Renewing and
sustaining
library
environments

Ensuring
financial
accountability

Pursuing
partnerships

Info Services Categorization

Basic Library Services

- Circulation
- Reference and referral services
- Document delivery
- Reprography

Web-based Services

- E-books
- Online journals and databases
- Institutional Repository

Additional Services

- Literature search
- Library alerts
- Inter-library loan
- Book Exhibition

Research Support Services

- Research Assistance Services
- Research Query Desk
- Recent Trends in Health Research
- Research Integrity

Capacity Building

- Author Workshop
- Book Talk
- Research Literacy Programme
- Webinars

Anytime X Anywhere

Inside the Campus

Access all resources within the campus from anytime x anywhere
24 x 7 within the IP range.

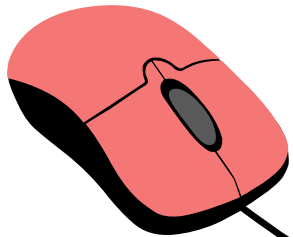

Outside the Campus

Access using Remote Access Platform.

Access to online resources 365 x 24 x 7

During Covid Period

01 Library Services

Library Services were provided to all the users fraternity. November 06, 2020 the Library was open round the clock for the users.

02 E-Resources

Seamless Access to resources were available.

03 Reference Query

All kind of queries were handles remotely by the B B Dikshit Library Staff.

04 Ancillary Branches

Library Services was also provided to the branch libraries also.

In the current situation

COVID-19

First Floor Library

First Library is open round the clock.

COVID-19
PANDEMIC

Social
Distancing

2m

Library Vigilance Team

A Library vigilance team was created to vigilant the seating of the users, while maintaining the proper social distancing and following the SOPs.

Our Services

Value Added Services

Access to Online Resources

A seamless access to wide range of online and print resources are provided.

Research Support Services

We are providing a wide range of Research Support Services.

Academic Integrity Services

We are facilitating and advocating Academic Integrity Services to the Researchers.

Reference Management

A wide range of Reference Management Tools and Techniques are available.

Research to Publication Services

We are providing guidance to user fraternity on how and where to publish.

Access to Online Resources

Online Resources Category

Electronic Databases

A wide range of electronic databases are available for access. These databases are from leading publishers of the world.

Multi-media Databases

A wide range of multi-media databases are available, which depicts the live demonstration of clinical decisions.

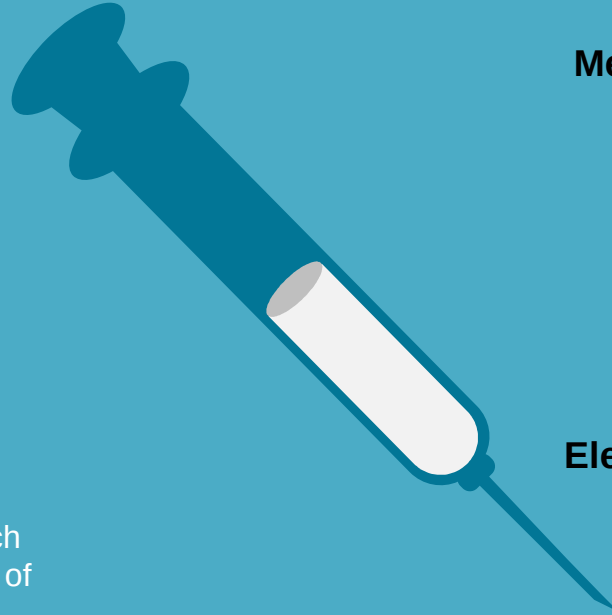

Measuring Research Output

We subscribed to databases which measures the research output of AIIMS and the researchers fraternity.

Electronic Thesis & Dissertations

You can access to ETD to explore what was researched and documented in the past.

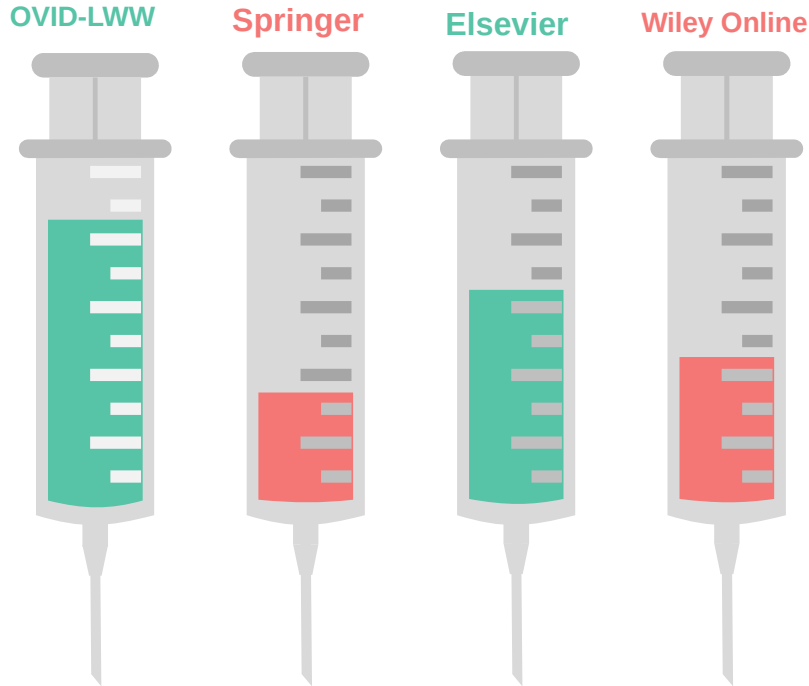

Major Databases for Clinical Decision Support System ...

- 
- 01 BMJ Best Practices
 - 02 BMJ Case Report
 - 03 Web of Science (Clarivate Analytics)
 - 04 SCOPUS (Elsevier)
 - 05 Up-to-Date (Wolters Kluwer)

E-Journals Collection

Total E- Journal Collection in B B Dikshit Library = 1364

OVID Wolters Kluwer Business LWW
E - Journals 290 can be accessed through it.

Springer
E - Journals 267 can be accessed through it.

Elsevier (Science Direct)
E - Journals 242 can be accessed through it.

Wiley Online Library
E - Journals 147 can be accessed through it.

Access to E-Books

Access Medicine

Oxford Medicine Online

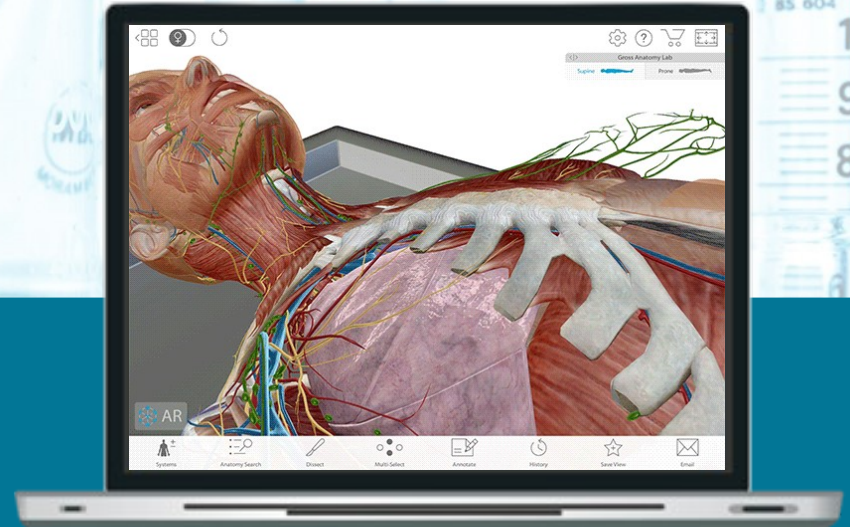

Ovid E-Book Collection

Multimedia Database

Multimedia Human Anatomy Databases

A wide range of multi-media anatomical databases are available for teaching purpose.

Acland's Anatomy

Bio-medical & Life Sciences

Journal of Visual Experiences

Research Support Services

Research

Desk Services

1. Remote Access Rights
2. Assistance in Academic Integrity
3. Document Delivery Services
4. Inter-Library Loan Services

Research Support Services

Academic Integrity

Providing requisite assistance in Academic Integrity

Project Based Information Services

Tailor made Project Based Information Services to the researchers for accomplishing projects

Capacity Building on Research Tools

Providing assistance to researchers for smooth conduction of research work

Knowledge Discovery

Resource discovery with respect to research areas.

Citation Management

Provide citation assistance for your research work.

Research Mapping of AIIMS Publications

Library Research Team

Vision

- To map the research publication of AIIMS
- To create an institutional repository (IR) of AIIMS Publications
- To create a provision in Intranet to visualize the research output

Core Value
Strengthening
Research of
AIIMS.

Mission

Knowledge Mapping of
AIIMS Research Output

First idea

Capturing the AIIMS Research
Base

Second idea

Visualizing AIIMS Research Base

Third idea

Strengthening Research Base

Database Evaluation

There are three major databases, which were thoroughly screened to fetch the data.

The array of metrics is diverse and available for all entities

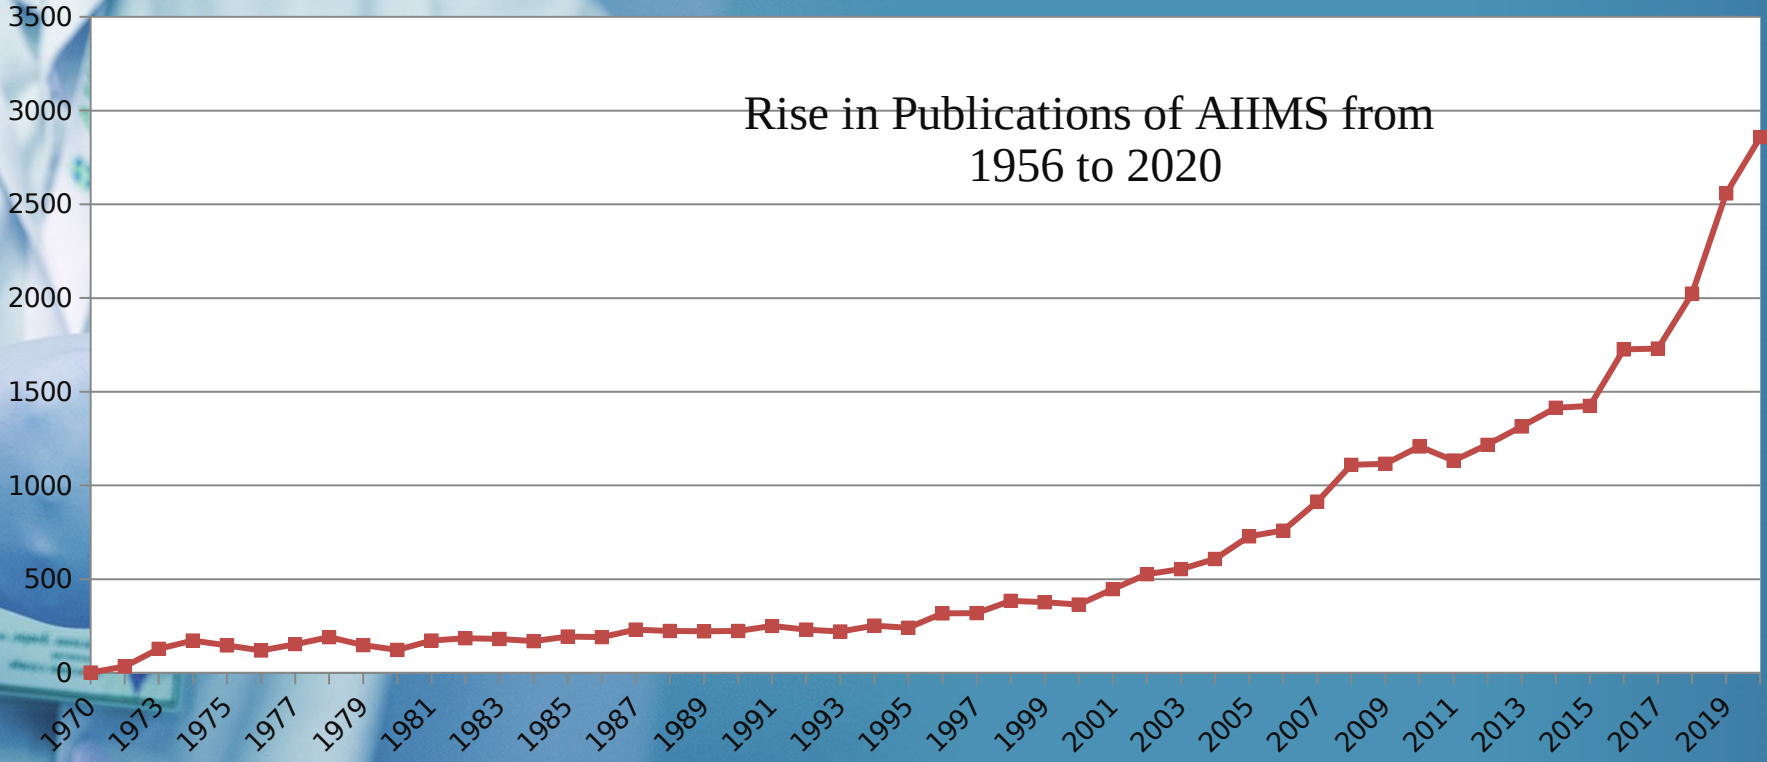

Qualitative input
Expert feedback on quality and impact of my research

Theme	Sub-theme
A. Funding	Awards Can I support my research?
B. Outputs	Productivity of research outputs How productive am I?
	Visibility of communication channels What is the impact of the channels that my outputs are published in?
C. Research Impact	Research influence How are my outputs used in academia?
	Knowledge transfer How are my outputs used in industry?
D. Engagement	Academic network How good is my collaboration network within academia?
	Non-academic network How good is my collaboration network outside academia?
	Expertise transfer How do I transmit knowledge to others within academia?
E. Societal Impact	Societal Impact What is my wider impact?

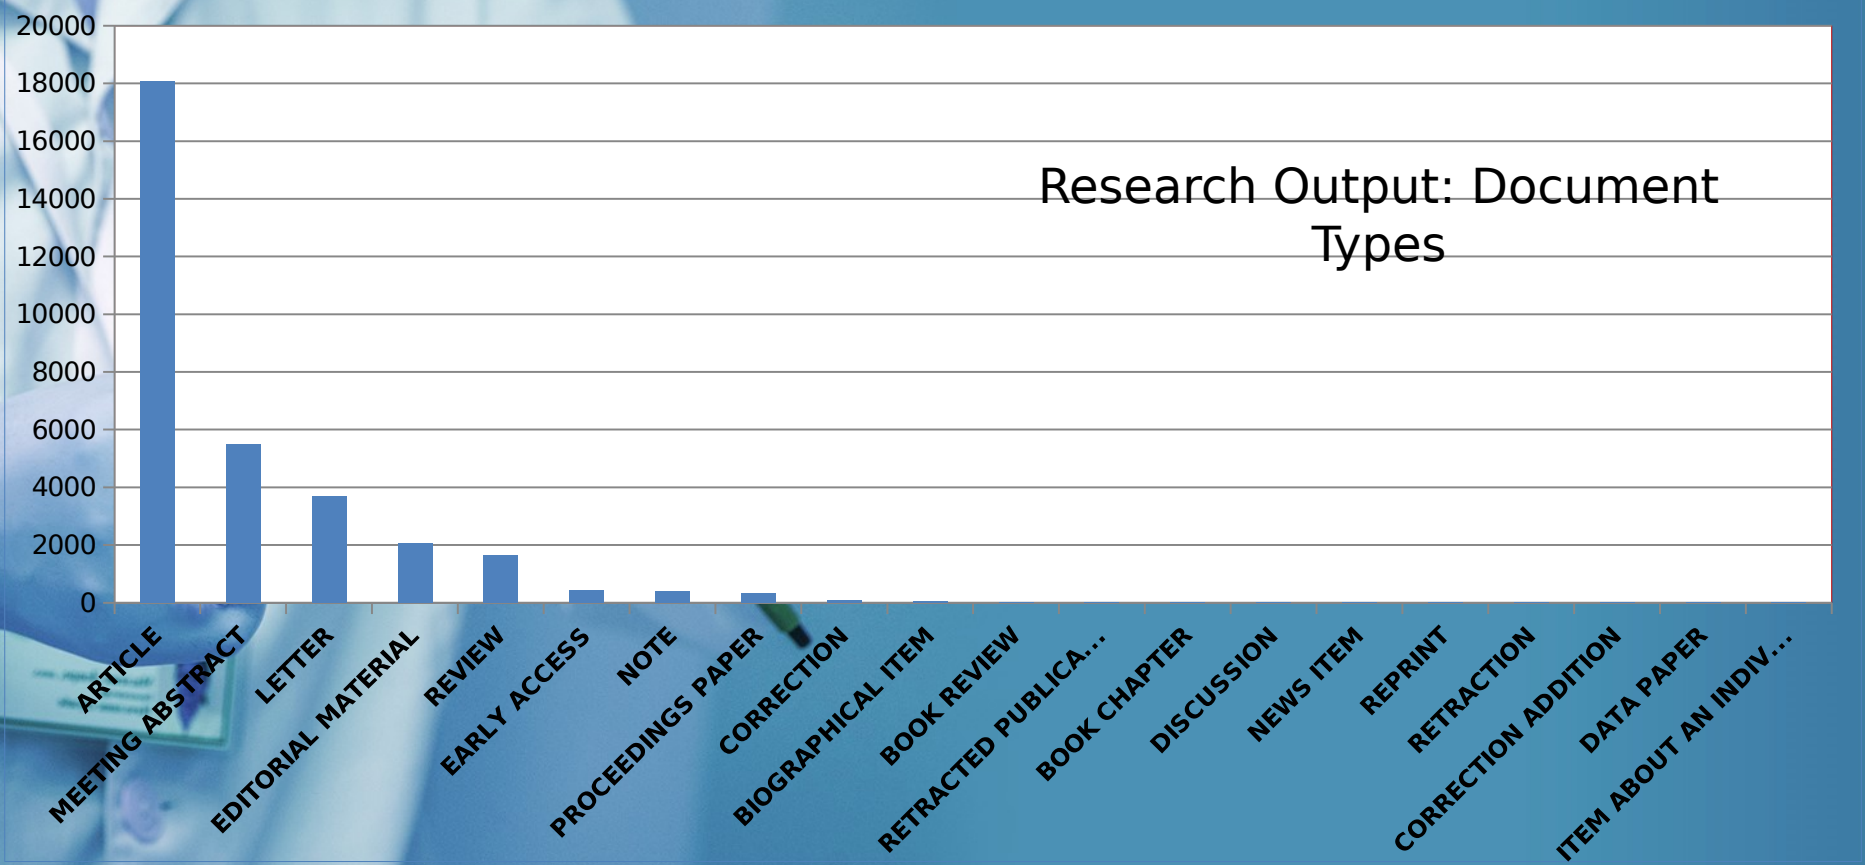

- Outputs**
e.g. article, research data, blog, monograph
- Custom set of outputs**
e.g. funders' output, articles I've reviewed
- Researcher or group**
- Institution or group**
- Subject Area**
- Serial**
e.g. journal, proceedings
- Portfolio**
e.g. publisher's title list
- Country or group**

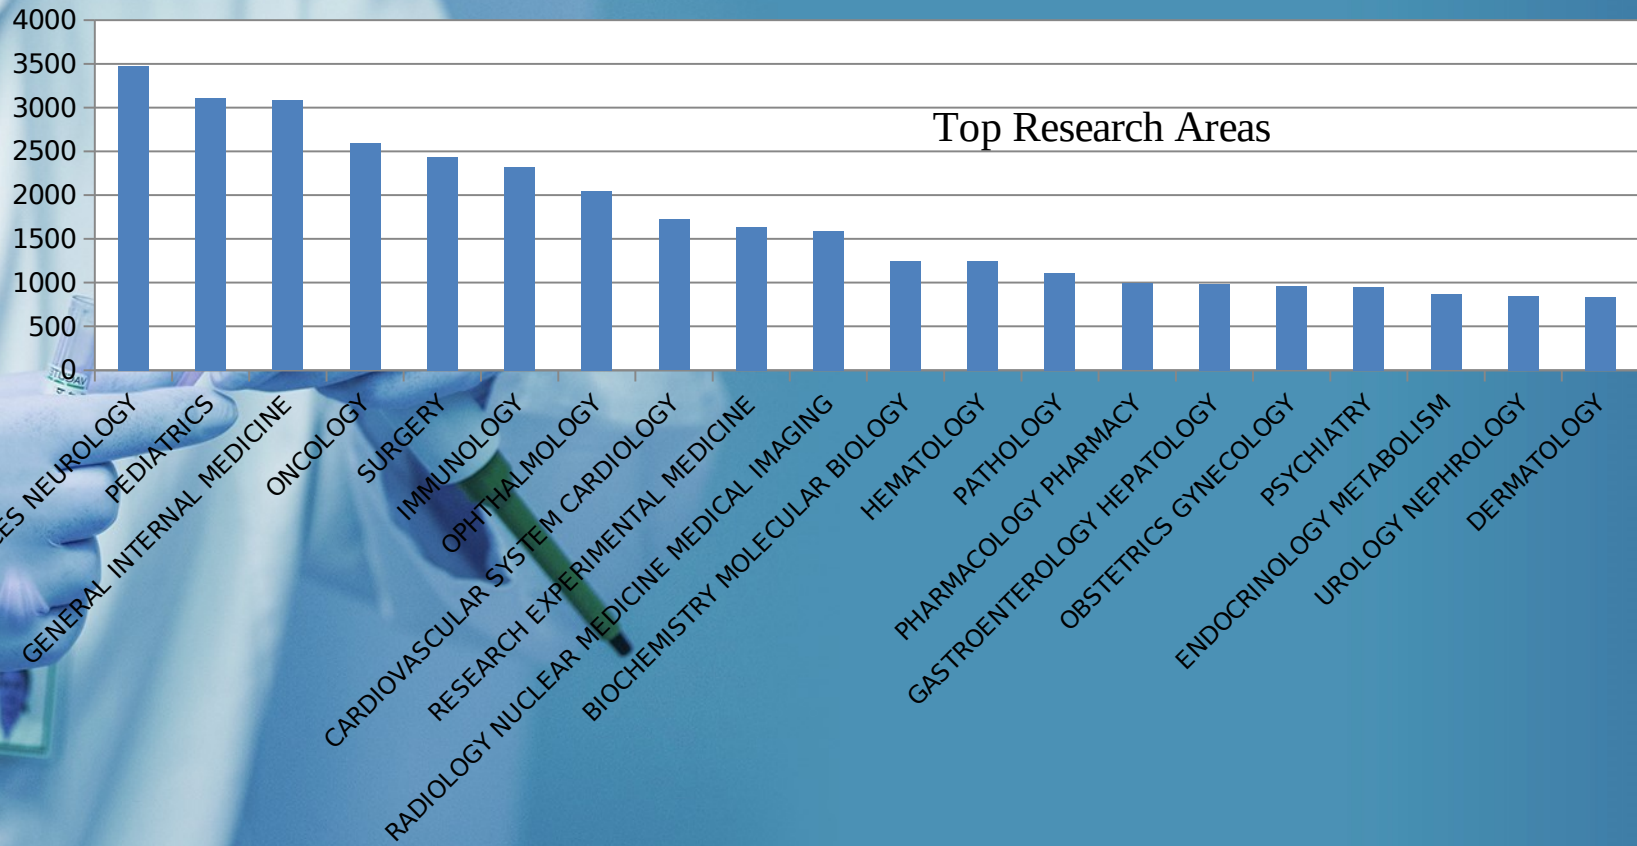

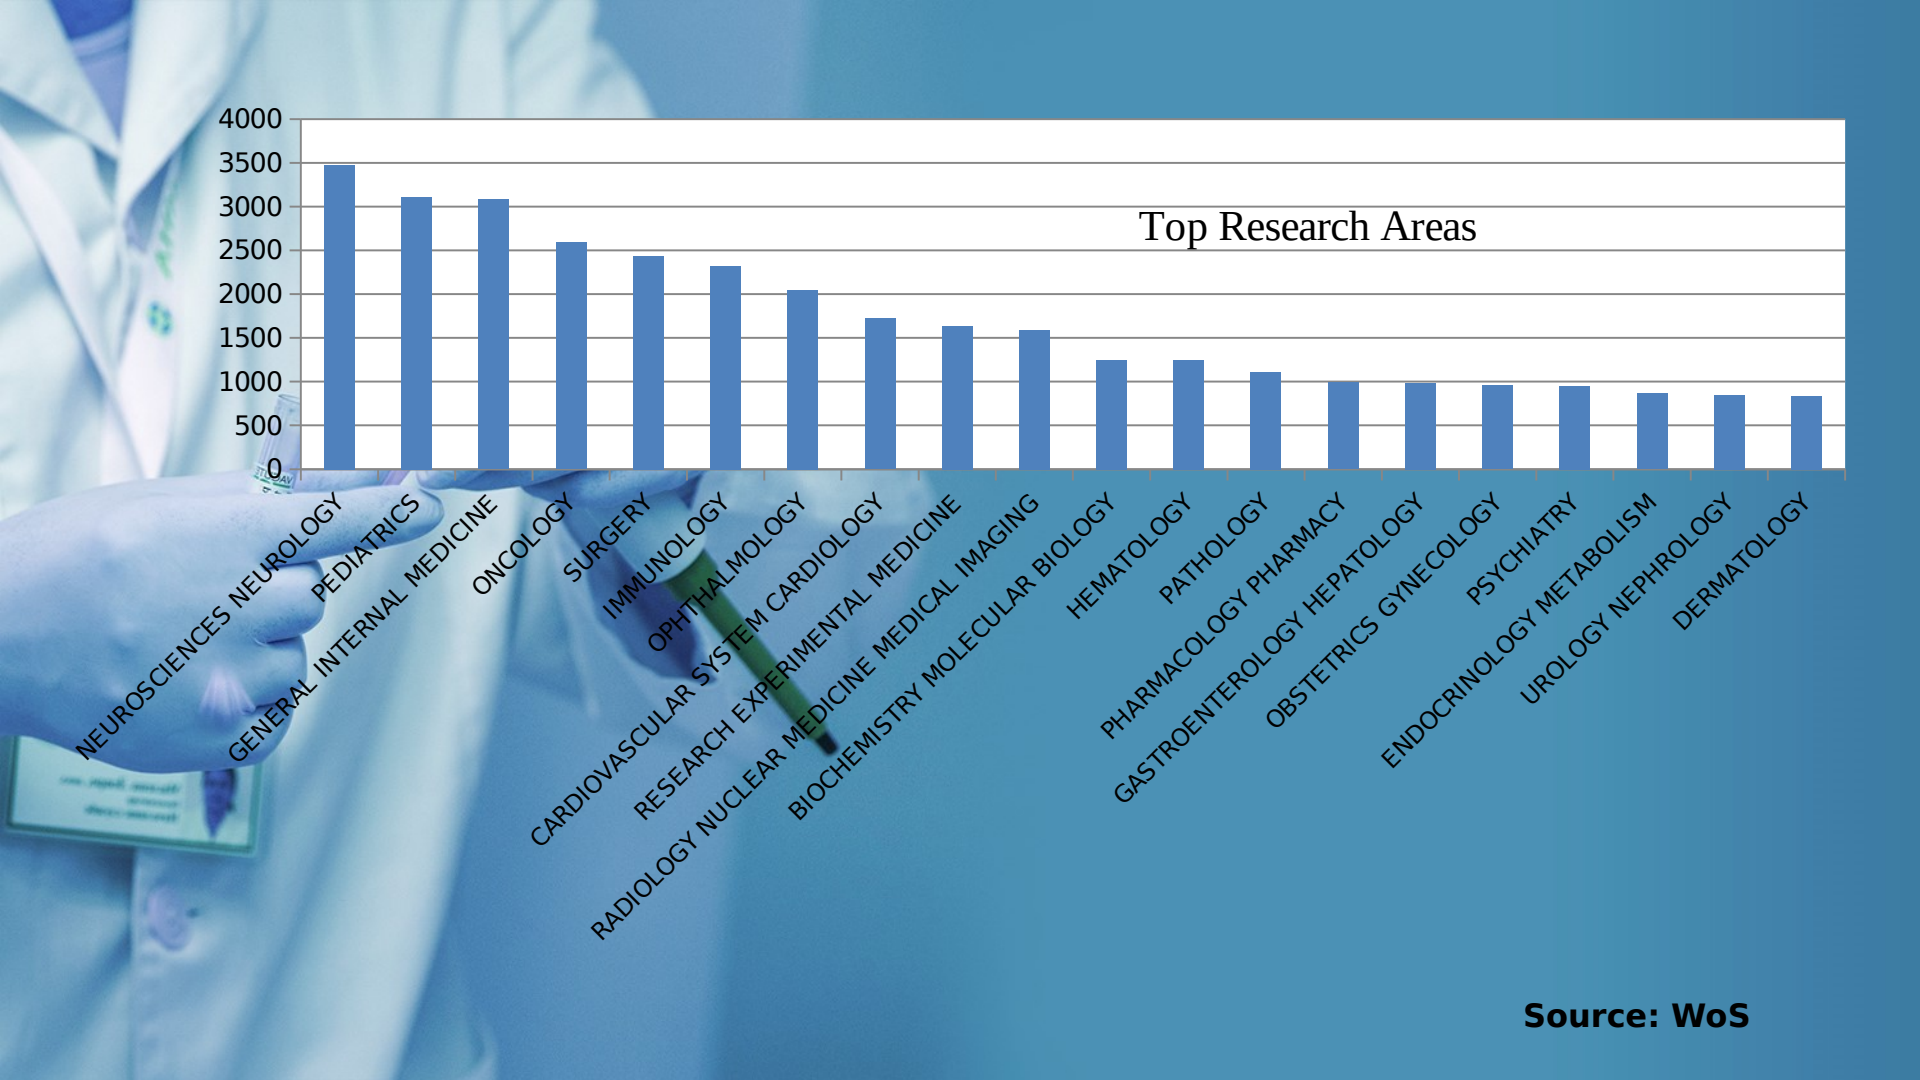

Rise in Publications of AIIMS from 1956 to 2020
